Comfort is probably the most logical reason why most men wear low shoes in the warm weather, but appearance should play an important part also.

In this showing of Men's Shoes will be seen the very latest ideas in dress, business and sports Oxfords that are bound to please the fancy of every well-dressed man. For comfort, fit, style, wear and moderate price, you should look over these new assortments.

This complete assemblage of fashionable Ox-

fords and Pumps for women is replete with the most graceful, distinctive and favored new styles that have been designed for this season's warm weather

In the collection are models for dress, sports, vacation and general wear.

While white has already been noted as the prevailing tendency, our assortment of Oxfords and Pumps may be had in most any desired color.

CHILDREN

These new Shoes for children are built on comman sense lasts that will readily adapt themselves to tender, growing feetsplendid, wide-toed models that allow for natural growth of tiny toes without unnecessary crowding.

Experts in Children's Footwear designed all of the shoes in this showing, so you may really be assured that the kiddies' feet will be perfectly fitted at moderate price if you bring the children here.
